

LifeTime Benefit Term

Life Insurance— Valuable protection for your loved ones

You work hard to provide a good life for your family. However, what if something happened to you? Would your family be able to continue covering expenses you may have today like mortgage payments, childcare, credit card payments, college tuition and other household expenses? What about burial expenses or expenses for long term care like nursing home or assisted living care?

Many families would struggle, especially if the primary wage earner died. And few families are able to afford nursing home care without some type of financial assistance.

LifeTime Benefit Term can help.

LifeTime Benefit Term Provides You with the Protection Your Family Needs

LifeTime Benefit Term helps protect you and your family if you were no longer able to provide for them. Your family can receive cash benefits paid directly to them upon your death that they can use to help cover expenses like mortgage payments, credit card debt, childcare, college tuition and other household expenses.

Cash benefits can also be paid directly to you while you are living for long term care expenses.

You Decide How You Want to Use LifeTime Benefit Term Benefits

When you make the promise to protect your family with LifeTime Benefit Term, there are several ways it can work.

As Life Insurance

LifeTime Benefit Term protects your family with money that can be used any way they choose. It is most often used to pay for mortgage or rent, education for children and grandchildren, retirement, family debt, and final expenses.

For Long Term Care* (LTC)

If you become chronically ill, LifeTime Benefit Term will pay you 4% of your death benefit each month you receive Long Term Care. You can use this money any way you choose, and your life insurance premiums will be waived.

- Your death benefit will reduce proportionately each month as you receive benefit payments for Long Term Care. After 25 months of receiving Long Term Care Benefits, your death benefit will reduce to zero.

How LifeTime Benefit Term Can Be Used				
Three Options	Life Situation	Death Benefit	Long Term Care	Total Benefits
1. Life Insurance	You lead a full life and do not need Long Term Care (LTC)	\$100,000	---	\$100,000
2. Long Term Care (LTC) insurance	You lead a full life and need assisted living or nursing home care	---	\$100,000	
3. Split your Death Benefit for LTC & life insurance	You lead a full life but also need some LTC funds (Example: 4% of \$100,000 for 12 months)	\$52,000	\$48,000	
Option 1, 2 or 3 = TOTAL COVERAGE				\$100,000

Term Life Insurance Built for Today

Guaranteed Premiums*

Life insurance premiums will never increase and are guaranteed to age 100. Thereafter no additional premium is due while the coverage can continue to age 121.

Guaranteed Benefits During Working Years

Death Benefit is guaranteed 100% when it is needed most—during your working years when your family is relying on your income. While the policy is in force, the death benefit is 100% guaranteed for the longer of 25 years or age 70.

Guaranteed Benefits After Age 70

Even after age 70, the full death benefit is designed to last through age 99 for non-tobacco users and age 95 for tobacco users based on the current interest rate and mortality assumptions. Regardless of interest rates, the death benefit after age 70 is guaranteed to always be at least 50% of the initial benefit and will likely be more given the current interest rate.

Paid-up Benefits

After 10 years, paid-up benefits begin to accrue. At any point thereafter, if you stop paying the premium, a reduced paid-up benefit is issued and can never lapse. That means when you retire, you can stop paying the premium and have a death benefit for the rest of your life—guaranteed.

Additional Benefit Option *(additional premium required)*

Child Term

Death Benefits available up to \$25,000. Guaranteed conversion to individual coverage at age 26—up to 5 times the benefit amount.

Long Term Care (LTC)*

If you need LTC, you can access your death benefit while you are living if you are unable to perform two of six Activities of daily Living or you have a Severe Cognitive Impairment that requires substantial Supervision to protect you from threat of health or safety and require nursing home, home health care, assisted living, or adult day care services. You will receive 4% of your death benefit per month while you are living for up to 25 months to help pay for LTC. Insurance premiums are waived while this benefit is being paid.

Terminal Illness

After your coverage has been in force for two years, you can receive 50% of your death benefit, up to \$100,000, if you are diagnosed as terminally ill.

Good things happen every day, and unfortunately hardship happens too. Let us help you protect everything you value.

* LTC premiums may be adjusted based upon the experience of the group or other group characteristics that may affect results. Premiums will not be increased solely because of an independent claim. New premiums will be based on the insured's age and premium class on the rider's coverage date.
